

PURPOSE DRIVEN PURSUITS

Has your business hit a plateau or are you experiencing challenges with developing competent leaders?

SUMMi7 has signature programs & services based on a proprietary Business Scaling Method® to help companies grow and scale.

“I thought it was a great resource and it helped me with accountability. It was a differentiator. When I needed to reference previous material, having the LMS videos, workbook and recordings has been really helpful.”

— Kim Anderson - CEO, Cardinal Strategies

WHY US

To get a different result, we have to do something different. By providing coaching, access to resources and a network of support, we'll help diverse business leaders break the historical trends and rebuild a stronger, more inclusive economy.

HOW WE'RE DIFFERENT:

SUMMi7 brings in experts with hands on experience to accelerate your growth using a proven systematic business scaling methodology. Companies are able to execute and see results much quicker.

We love Accountability!
